MATTHEW BARNETT

December 2008

Dear Friend,

I want to say thank you for your partnership and support in 2008. **We have made it day-by-day through this year and its challenges because of the sacrifices and help of friends like you.**

Thousands of lives were changed, millions of pounds of food were given out to families in need. Thousands of pieces of clothing, hot meals, nights of stay and second chances were given to people in desperate need of help throughout 2008.

Each day, each week, and each month, the love, prayers and support you can give make it possible for the Dream Center to reach someone with life-changing help. The outreaches your partnership makes possible operate 365 days of the year, 7 days a week, 24 hours a day.

2008 has been a year mixed with some hardships and a lot of hope for us. While we faced hard financial times, we also saw our building project get started, and come 2009, we will see more space opened to help people who come to our campus. We have seen new outreaches grow during this time as families were on our doorstep and needed us to find creative ways to take them in and help them. **Hope has been renewed for us each month as friends like you have shown us that even in times of hardship, helping others is still the most important way to walk in faith of God's work.**

As a way to say thank you for your help and generosity, our team made a special calendar for 2009 that I would like to send you when you give this month. It is a collection of pictures from some of our outreaches. We put together this calendar to connect you to the things that are happening daily and remind you as you look at it who you are helping, who you can pray for, and how you are making an impact.

As we picked what to share about in the calendar, it really excited me for this New Year. The needs are great in these impoverished communities, and they are growing each day as more families are

(over, please)

hurting, more people are on the streets, and more children are going hungry. But great is God's love and faithfulness.

Each day on the Dream Center calendar represents a new day of God's mercies and provision for us. It can be a new day you can help show God's love to someone in need. Each new week or month is one where the help we give can be greater than the need people are facing.

Thank you again for standing with us in 2008. When you send your gift, I will rush you this 2009 special edition Dream Center calendar as a thank you. **It is a really beautiful reminder of the people who need your help and the impact you have in reaching them today and throughout the year.**

Sincerely,

Paster Matthew Barnett
